HYGIENIC & SACNITRY CERTIFICATE

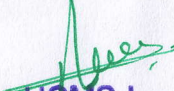

I have personally examined the Building of **Shri Ram Sr. Sec. School, Bhora Kalan Tehsil- Pataudi, Distt- Gurugram (Haryana)** on dated 31-05-2021 and found -

1. The Building is situated far away from busy road.
2. Situated on suitable height.
3. Newly constructed class rooms with a doguat height and ventilation.
4. The School is free from environmental pollution.
5. Suitable furniture provided.
6. Safe drinking water is provided to the students.
7. Ten urinals for girls, twelve urinals for boys and two urinals for staff are there separately.
8. The School has open play ground.
9. The campus is fully boundaries with five heights.

In my opinion this school building is fulfilling all the condition of hygienic.
